Career 1

Your next step is to search out careers that support your personality strengths. Based on your results from the *O*Net Interest Profiler*, locate the **Careers** menu on the **Explore-ace.org** website and click on your top strength label (i.e. artistic, conventional, realistic, etc.). Search **three** career types in that strength category.

1. **Career 1:** _____

a. What are the general qualifications for this career? (i.e. certification, education, etc.)

b. Summarize the duties entailed in this career:

2. Visit our Careers Page or Company web site (ACE Partner Companies, you may have to visit the company site by clicking on their logo to answer these questions). Find two companies that offer careers under that career heading.

a. **Company 1:** _____

• What does this company do?

• What type of career positions (related to your personality strength) does this company offer?

• What sort of qualifications are required for an applicant to qualify for these positions?
